Editor Speaks

With the introduction of a distinct modern style township, lifestyle at Greenfield City has reached a different level. Besides an eco friendly environment, it's a city where neighbours become family members. Be it Durga Puja or Diwali, the members of Greenfield City join hands as one family and celebrate every festival in the best possible way. May this coming year bring joy and happiness and make all your aspirations come true.

Connecting People

On 30th Aug'15 for the very first time at Greenfield City, 'Srijan Connect' hosted a reward ceremony for the members of 'Srijan Connect' program. Every customer's effective reference was acknowledged by handing them over the payouts for the financial year along with a special certificate of appreciation and complimentary brunch. Every person who attended the program was awarded with a gift as a symbol of thanks from the entire Srijan Family.

A warm "Thank You" from the Srijan Family :

- Mrs. Sayar Devi Duggar (225 Connect Points)
- Mrs. Sneha Singh (77 Connect Points)
- Mr. Avishek Upadhyay (73 Connect Points)
- Mrs. Panchali Dutta (50 Connect Points)
- Ms. Rina Nandi (42 Connect Points)
- Mr. Ashok Kumar Mukherjee (40 Connect Points)
- Mr. Ritwam Banerjee (38 Connect Points)
- Ms. Sumitra Singhania (37 Connect Points)
- Mr. Vikash Singh (37 Connect Points)

Celebrating Life

Durga Puja was celebrated at Greenfield City with great excitement. The fun and frolic continued for five days. Dancers of Zee Bangla fame were invited to perform at Greenfield City. The residents themselves also eagerly took part in organizing a program that showcased play, chhau dance, dandia and even a well choreographed classical dance. The traditional dhunuchi naach was followed by a DJ night. Enthusiasm for Kali Puja and Diwali in Greenfield City was a treat to watch. The entire Greenfield City was dressed in lights and every corner poured with festivity highlighted togetherness and happiness. Chhat Puja, a glorious form of Sun worship was celebrated in Greenfield City with heart and soul. The residents took a dip in the water fountain of Greenfield City. The devotees offered their prayers to the setting sun and then the rising sun, celebrating its glory as the cycle of birth starts with death. They carried back water from the same water fountain to prepare Holy Prasad for the Sun God.

Greenfield City Premier League

Cricket Tournament

The Greenfield City stadium is now fully complete with flood lights and seating arrangements. The first-ever cricket tournament-Greenfield City Premier League was organized by Greenfield City Sports Group. The day-night tournament was organized by Greenfield City Sports Group where six teams each comprising of eleven players took part. The tournament was divided into ten matches in which six matches were of super six and three semi final matches, leading to one final face-off between two teams. We would like to congratulate the winning team on their success on behalf of the entire Greenfield City team.

Customers Speak...

Mrs. Sipra Keshri & Mr. Rajesh Keshri
Block 14/1A

I feel proud to be a member of Greenfield City. I am residing at Greenfield City since April 2014. It has really been a good deal for me to have my dream home in Greenfield city.

Srijan has provided us what we expected. 70% open space, green park, attractive lake and many other splendid lifestyle features, accompanied with security. Srijan has given me the opportunity to fulfill my dream of living in a city complex.

It's really a pleasure to have a five star club within "my own city".

I am sure this project is going to be a major landmark in Kolkata.

We wish the whole team of Srijan Group for their efforts. Thank you for your good service.

Create a Furniture-Friendly Home!

- ❄ To give your old, grimy, wooden furniture a glimmering new look, mix equal parts of olive oil, denatured alcohol, gum turpentine, and strained lemon juice. Apply with a soft cloth but don't forget to buff with a clean one.
- ❄ If you are having a stained sofa, use carbonated water or soda water to remove stain on fabric, as they are pH neutral and odourless. Carbonated water works better with food, tannin and oil-based stains.
- ❄ Leather furniture is very sensitive to heat and sun damage. Position it away from windows and also from heat sources such as fireplaces, radiators and central heating vents.
- ❄ Wipe off polish or wax buildup on wooden furniture by dipping a cloth in a diluted solution of white vinegar. If it is scratched anywhere by your pet, use a Q-tip to apply shoe polish of the same colour.
- ❄ In case your bamboo furniture develops a crack due to weather exposure or age, fix it by gently sanding the area with very fine grit sandpaper. Then paste wax smoothly over the area to make up for the color and tone of the wood.
- ❄ To get rid of dirt stains on outdoor plastic furniture, fill quarter of a cup with regular household bleach. Mix in a large bucket of hot water and scrub the furniture. Allow the solution to sit for a few minutes. Then rinse them down with clean water from a garden hose.
- ❄ Avoid draping damp clothes or dishtowels over cabinet doors. The moisture can cause permanent damage to the cabinet's finish, even causing peeling and discoloration.

*May this new year
bring you smiles,
success and new
delights of life.*

Brought to you by
